

Marie Sklodowska-Curie Fellowship Programme (MSCFP) Applicant Reference Form

2023

Page 1 of 2

Name of Applicant	Number of Years You Have Known the Applicant	Area of Applicant's Study	Your Relation to the Applicant (e.g. lecturer, tutor, programme director, advisor, work/training/ internship related)

Please describe why you think the applicant should be selected for an IAEA Marie Sklodowska-Curie Fellowship. Please use concrete examples to help illustrate the quality of her work or her performance in her current university programme or previous university degree programmes or her previous or current work, as well as her commitment to continue her career in a nuclear-related area. Please comment on whether you expect she will complete her degree on time.
